

# Autism Aware Certificate

This is an online training course to help you learn more about autism.

It is called the **Autism Aware Certification Scheme**.

In this section we will explain what autism is.

We will also explain how you can support autistic people better.

There are 2 parts to the training. The first part is a film called **What is Autism?**

The second part is the resources at the bottom of the page. You can download these.

# Who is the film for?

The **What is Autism?** film is for people who want to learn more about autism.

We want lots more people to understand autism.

**The National Autism Team** have updated the **Autism Aware Certification Scheme**.

The updated **Autism Aware Certification Scheme** describes autism in a way that autistic people like.

# What is the film about?

The film is about three autistic people called **Amara Tamblin, Rhiannon Lloyd-Williams** and **Osian Harries**.

**Amara, Rhiannon and Osian** talk about:

- being sociable and talking to people

- their day to day life

- their senses. Like how they feel about noise or different colours

- how to make things better

The film also includes the voice of Dr Elin Walker Jones.

# How to complete the training

Watch the film and read the resources.

Then put your details into our system. If you do this training through a company, put their details too.

Answer the 20 questions.

If you answer all the questions right, we will create a certificate for you. You can download this.

If you get any questions wrong, we will give you the chance to try again.

When you are ready to start the training, please log in or register below.
